SEATTLE DEPARTMENT OF NEIGHBORHOODS

NEIGHBORHOOD MATCHING FUND

Created in 1988, the Neighborhood Matching Fund (NMF) provides city resources for community-driven projects such as playgrounds, festivals, community gardens, and public art. Many of the city's most iconic attractions were created by the community with support from the program. Chances are there's an NMF project in your neighborhood.

Program Details

The Neighborhood Matching Fund (NMF) provides funding for neighborhood projects that are developed and implemented by community members. Every NMF award is matched by the community through volunteer time, donated supplies and materials, in-kind professional services, and/or cash.
