HUBBARD HOMESTEAD PARK
PLAY AREA PROJECT

We need your input! Seattle Parks and Recreation is installing new play area at the Hubbard Homestead Park, 11203 5th Ave NE Seattle, WA 98125. Please join us to discuss ideas about the design and provide input on new play area.

We are hosting two meetings to inform you about the project and gather your input. The first meeting will be an opportunity to learn about the project and provide input that will inform the overall design for the play area. This meeting will also provide information on the decommissioning of a playground at Victory Creek Park, 1059 NE Northgate Way, Seattle, WA 98125. Decommissioning of this playground will create the opportunity to start new play area at Hubbard Homestead Park.

The second meeting will show designs that reflect what we heard in the first meeting and be an opportunity to provide input on play equipment options.

LIGHT SNACKS AND ACTIVITIES FOR CHILDREN WILL BE AVAILABLE. PLEASE STOP BY!
