

**SCL Review Panel Proposed Work Plan – September 2016 – May 2018**

Role of Panel per Ordinance 124740: Review and address strategic plan and revisions | Advise on issues to be included in strategic plan framework | Review rate changes proposed & provide opinion | In collaboration with staff designated by Mayor/Council, propose a biennial work program to Mayor/ Council; items *may include but are not limited to: financial policies, cost allocation, rate design, operational efficiency* | Mayor/Council requested issues | Other issues Panel believes Mayor/Council should consider.<sup>1</sup>

**5 core components of the proposed work plan:**

<p><b>Monitoring</b> <i>Progress on Current Strategic Plan and Initiatives, other general informational briefings</i></p>	<p><b>Baseline / Costs of Service</b> <i>Examining the cost of doing business, level of service, generally organized around: Generation / Power Supply Transmission Distribution Other infrastructure/program costs</i></p>	<p><b>Load, Energy Efficiency and Retail Revenue</b> <i>What is the demand for power, now and forecast? Address implications of slowing load growth, identifying policy options, pros &amp; cons</i></p>	<p><b>Efficiencies</b> <i>How is the Utility integrating efficiencies into operations and capital planning to reduce the cost of service over time?</i></p>	<p><b>Strategic Plan Development and Delivery</b> <i>Policy priorities, new initiatives, rate path, baseline -- and Panel comment letter</i></p>
---	---	--	---	--

<sup>1</sup>[A]fter the adoption of each update to the strategic plan, [the Panel will] work closely with staff designated by the Mayor and the council to propose, in writing, a biennial work program to the Mayor and Council. Work program items may include, but are not limited to, financial policies, cost allocation, rate design, operational efficiency, issues requested by the Mayor or the Council, and issues the Panel believes the Mayor and the Council should consider. (Ord. 124740, Section 1).
