Levy Performance Measures

- Achieving growth targets on the state assessment in math
- Meeting standard on the state assessment in math

Levy Goals

All of Seattle's children will ...

- Enter kindergarten prepared to succeed
- Achieve academically and the achievement gap will be reduced
- Graduate from high school prepared for college or career

Levy-Funded Key Strategies

- Math intervention class provided to struggling students
- Dedicated time for teachers to set collaborative goals, plan interventions, and monitor progress
- Participating in Empowerment Mathematics Project (EMP) Professional Development project in collaboration with the City of Seattle's Department of Education and Early Learning, Seattle Public Schools and the University of Washington. EMP strives to improve teacher practice, support the integration of 21st Century Skills such as persistence and grit into classrooms, and engage families in the important role of middle school math for high school completion and college access
