First year of funding: 2016

- Elementary School Innovation
- Summer

Levy Performance Measures

- Missing fewer than five days each semester
- Making gains on state assessment for English language acquisition
- Meeting widely held expectations for kindergarten readiness in literacy and math
- Achieving growth targets on state and district assessments in math and reading

Levy-Funded Community Partners

- Odessa Brown Children's Clinic

Levy-Funded Key Strategies

- Additional small group instruction in math and literacy provided by certificated teacher during the school day
- Extended day learning opportunities provided in partnership with YMCA Powerful Schools
- Implementation of Professional Learning Communities among staff members to expand instructional knowledge and capacity
- Case management for identified students and families in need of additional support with attendance barriers, access to community resources, and referral services
- Master scheduling and instructional design that allows for collaboration between classroom teachers, instructional assistants, and certificated ELL and SpEd teachers
- School wide systems for monitoring student progress and utilizing data in decision making
- Partnership with Odessa Brown to provide site-based mental health services
- John Muir operates on-site summer learning program to provide additional academic and enrichment opportunities
