<http://westseattlees.seattleschools.org/>

Funding:

2016-17 Award: \$ 376,582

First year of funding: 2014

- Elementary School Innovation
- Health

Levy Performance Measures

- Missing fewer than five days each semester
- Achieving growth targets on state and district assessments in math and reading
- Meeting grade-level standards on state assessments in math and reading

Levy-Funded Community Partners

- Neighborcare Health

Levy-Funded Key Strategies

- Partnership with Neighborcare to provide family-centered health, mental health, and health care access services
- Additional small group instruction for targeted students provided by Academic Interventionist
- School wide systems to support mathematics instruction through teaching, planning and data analysis
- Partnership with YMCA to provide extended day math instruction for focus students
- Reading and math software programs provide focus students with alternative methods to learn and apply literacy and math skills
- Targeted support for families in need of help meeting basic needs
- Family engagement efforts to support the connection between home and school
- Implementation of a Comprehensive Counseling Program ensures social skills and anti-bullying lessons are delivered to all students and ensures that small group opportunities are available for students needing additional supports thorough direct leadership and collaboration with partners
- Implementation of check and connect strategies that pair focus students with an adult staff member to provide daily one on one support
