

WHAT IS CAREER QUEST?

Career Quest is a career management program that provides customized career development opportunities for City of Seattle employees who wish to broaden their skills or seek assistance with their long-term career goals.

WHAT SERVICES ARE OFFERED?

- **CAREER COACHING** - All Career Quest participants are matched with a career coach who will work with them to identify and plan career goals
- **CAREER READINESS WORKSHOPS** – Access to career development workshops including navigating your career, resume skills, interview skills, and others

WHAT ARE THE ELIGIBILITY REQUIREMENTS?

To be eligible for the Career Quest Program, applicants must meet the following three criteria:

- be a regular (full-time or part-time) employee of the City of Seattle,
- have completed at least one year of regular employment with the City of Seattle, and
- be committed to developing their skills and workplace competencies

HOW DO I APPLY?

Information and application documents can be found under the “Career Tools” tab in the NEW Talent Management System (TMS) at

<http://learning.seattle.gov>

or

contact 206-684-7608 / careerquest@seattle.gov

Please note: Career Quest is not a job-finding or placement service
