ENVIRONMENTAL SIGN INSTALLATION NOTIFICATION

SDCI Project Number:

Site Address:

Date of Sign Installation:

_____ The Environmental Sign is installed at the location determined at the intake appointment with Seattle DCI.

_____ The Environmental Sign is installed at an alternate location on the site. (In the event that this alternate location is not acceptable to the Department, the Department may require the sign to be moved and the application re-noticed. The applicant will be charged for re-noticing the application.)

The alternative location is:

Upon receipt of this notification, the application will be considered “complete”, Seattle DCI will schedule the application for notice and the comment period will begin. Failure to install the environmental sign and return this form to Seattle DCI within 60 days of application submittal may result in a notice of intent to cancel.

This notification must be returned to Seattle DCI either: in person, by fax, by mail or electronically (by going to the Land Use forms on the Seattle DCI website.)
