

# S COLUMBIAN WAY

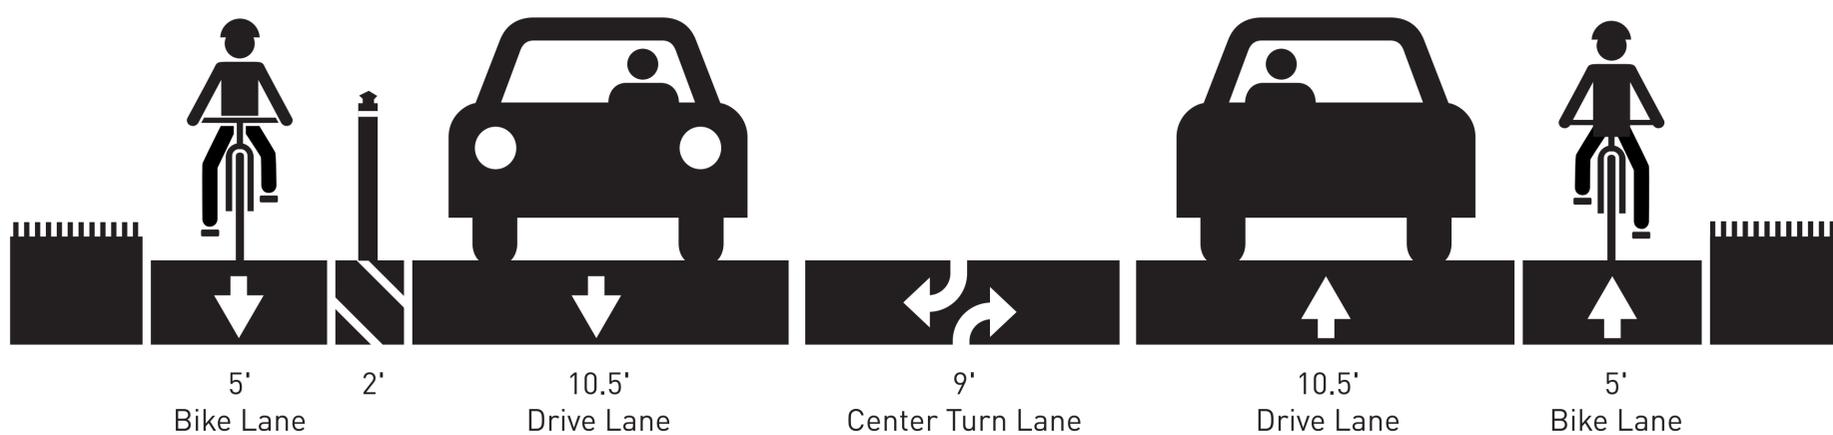

## PROTECTED BIKE LANE OPTIONS

We'd like to upgrade the bike lanes connecting 15th Ave S with the new bike lanes being added to S Columbian Way (between Beacon Ave S and MLK Jr Way S) when we repave it as early as 2018.

**Help us figure out how.**

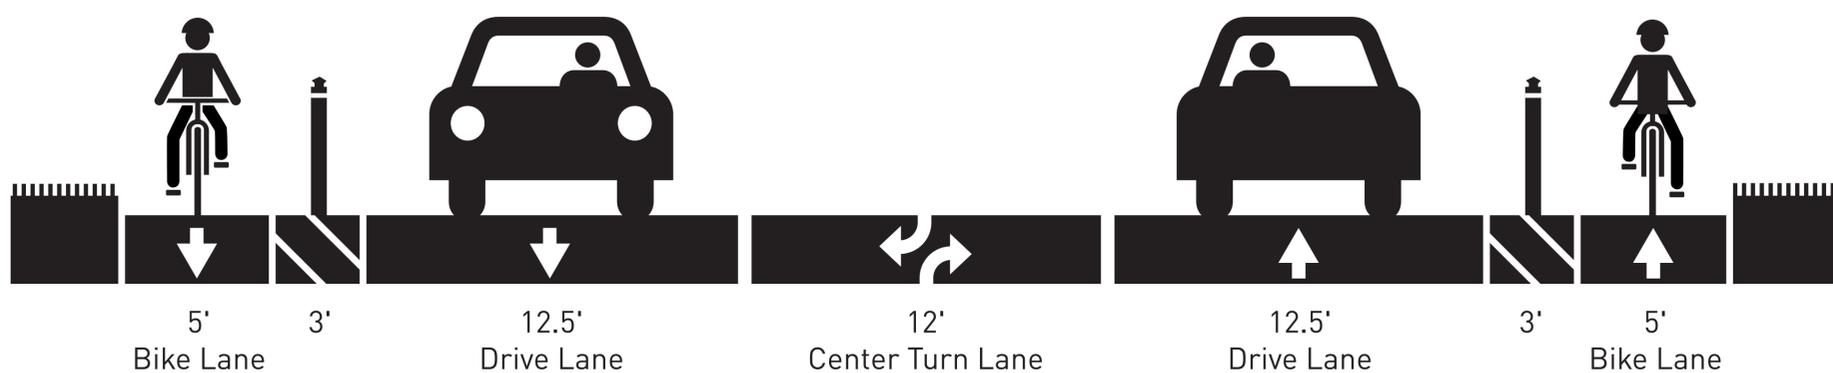

### OPTION 1

One protected bike lane

### OPTION 2

Two protected bike lanes with center turn lane from S Snoqualmie St to 16th Ave S

Two protected bike lanes with center lane removal from Beacon Ave S to S Snoqualmie St
