## Crossing upgrades are coming to Delridge Way SW and SW Oregon St!

Your Voice, Your Choice: Parks & Streets is a program for Seattle residents to vote how to spend a portion of the City's budget on small-scale park and street improvements. You can participate in the district where you live, work, go to school, receive services, or volunteer. Now that votes from 2017 have been tallied and projects have been selected, it's time to design and construct them!

We're enhancing pedestrian safety and accessibility to the Delridge Playfield, Community Center, and existing pedestrian bridge with upgraded crossings!

The project supports plans for upgrading Metro Route 120 to RapidRide H and improving connections for people walking and biking in 2020.

Project Solutions:

- Install a signalized crosswalk at Delridge Way SW and SW Oregon St to supplement the current pedestrian bridge
- Install enhanced pedestrian curb ramps and maintain ADA accessibility

**Construction anticipated October – December 2018**
