^Internet download speeds may vary and are not guaranteed. Observed speeds may vary based on device, connection, & other factors outside of Wave's control. Gig Internet offers speeds up to 940 Mbps. Certain equipment may be required to receive up to 940 Mbps speeds. Internet speeds of up to 940 Mbps may vary due to conditions outside of network control, including customer location and equipment, and are not guaranteed.

Data transfer usage includes both downstream/download and upstream/upload activity. Data transfer usage beyond total allotment in a month is subject to additional charges. Double Data and Unlimited Data plans may be added to your account to help avoid monthly overage fees. Visit wavehome.com/usagepolicy for complete details. **Price does not include Internet Infrastructure fee of \$4.37/month which is subject to change.** The Internet Infrastructure Fee is designed to help Wave defray some of its capital expenditures for continually upgrading and improving its data network. This fee is neither government-mandated nor a tax, fee or surcharge imposed by the government.

*Serviceable areas only. 12 month agreement required. Early termination fee applies if Smart Home services are cancelled during the agreement term. Requires subscription to compatible Wave high-speed internet service. Smart Home package equipment provided during term of service only. Additional equipment not included with offer.

Services and pricing are subject to change. Some restrictions may apply. Applicable franchise, PEG, utility, E911, Universal Service Fund, and other fees and taxes may apply. Services are subject to terms and conditions of Wave's subscriber agreements, use policies, and other terms and conditions.

WASHINGTON RESIDENTS: The base rates stated on this price list are subject to a 2% Regulatory Recovery Fee, which added together determines the total price.
